

Summer Newsletter

2025

Welcome to Living Potential's Summer Newsletter

An awesome Summer Fair

The Summer Fair was such a vibe! Thank you for everyone who came down and made it the best one yet! The sun shone and we must thank Team LP! It was a day of recognition and celebration for a year's worth of hard but rewarding work - every frosty winter morning, every egg washed, every seed planted, every furry friend fed - you did it Team LP!

We heard on the grapevine that...

...the courtyard is starting to bloom. Hanging baskets, apples, figs, grapes and tomatoes, to name a few of our planting efforts from earlier in the year that are coming to fruition, and we're looking forward to enjoying the crop.

Not to be outdone by the courtyard, our allotment is starting to produce some lovely yield.

Learning outcomes

It was great to see Team LP using technology to engage with a recent learning outcome: to identify parts of poultry.

By the end of the week, Team LP could identify the comb and wattle *and* explain their functions!

There's still time to vote

Please vote for us to win **Charity of the Year** in the Pride in Diversity Awards - [click here to vote](#).

And finally...

Our herd of six alpacas have had their summer hair cuts!
